# INDUSTRY-RELEVANT SKILLS & KNOWLEDGE

Claz'room maintains strong relationships with industry partners through active collaboration, including internships, workshops, sharing sessions, and regular engagement to align education with industry needs, ensuring students are industry-ready.

Students connect with professionals, learn from their experience, and build valuable career networks during their study.

# OPPORTUNITIES TO EXCEL

Students Received International Recognitions.

Students Crowned as *Top in The Nation*.

Malaysia's 3D Game Art National Team for WorldSkills ASEAN Philippines 2025.

**Meet Malaysia's  
3D Game Art Champions.**  
World-class talent. Award-winning skills. All in one place.

**Flying the flag in 3D game art**

Victory vibes: Goh (left) and Lam posing after winning the national stage of the competition. – WorldSkills Malaysia  
GAMING offers plenty of thrills, thanks to the creativity that goes into crafting captivating animated experiences for users. Playing a key role in making that happen are professionals such as three-dimensional (3D) digital game artists.

Like-Minded, Inclusive Community

## STUDENT LIFE

We shape more than skills, we nurture personality, mindset, and networks through industry sharing, studio visits, events, and engaging activities, preparing students to thrive as confident, connected professionals.
